Before you schedule service

- ☐ Verify each provider for the exact address / unit; city names and ZIP codes are not enough.
- ☐ Check your lease or HOA: included services, separate charges, and accounts you must open.
- ☐ Ask about deposits, connection fees, required documents, and appointment lead times.
- ☐ Confirm internet connection type and service level; arrange any installation and home access.
- ☐ Coordinate start dates with home access; arrange old-address stops to avoid a service gap.

Included services / who pays: _____

Old-address stop dates / follow-up: _____

Keep confirmation emails and account details with your moving documents.
